

2021 | A Simple Guide to Your Benefits (New Member Guide)

Molina Medicare Choice Care HMO

Utah H5628-007

Serving Box Elder, Cache, Davis, Salt Lake, Summit, Tooele, Utah, and Weber Counties

Effective January 1 through December 31, 2021

You're important to us - we want to get to know you!

The more we know about your health, the better we are at giving you the service and care you need. To get the right information, we will place some important calls to you over the next few months! Here's what you can expect from us:

Days 1-30

Welcome to Molina Healthcare Call

We will call you during your first 30 days to welcome you to Molina! Our representative (rep) will ask you if you got your member ID card in the mail. Our rep will also confirm your doctor name and will help you schedule any appointments, if you need help. Please note that from time to time you may hear us call your doctor your "Primary Care Physician" or "PCP" – this means the same thing.

Days 1-90

Health Risk Assessment (HRA) Survey

We will call you during your first 90 days for your Health Risk Assessment (HRA) survey. Our rep will ask you questions about your health. Some questions we might ask are what health conditions you currently have, and the last time you saw your doctor. The survey lasts about 15 to 20 minutes. Every year we will call you to complete this survey because your health can change.

If you missed our call OR do not want to wait for our rep to call you, call us at (866) 472-4582, TTY: 711, Monday – Friday, 6 a.m. to 6 p.m., PST. Let the rep know you are a new member and want to complete your Health Risk Assessment Survey!

Wellness Visit Appointment Reminder

What is a Wellness Visit?

Your health is important to us! Staying healthy starts with getting the right screenings at the right time. The Wellness Visit helps us understand what care and services you may need. Having a Wellness Visit at least once a year (or as your doctor suggests) is important, even if you feel healthy. We want all members to take advantage of this visit!

**Days
61+**

How Can I Complete My Wellness Visit?

After your first 60 days, we will connect with you via phone and/or mail a reminder to schedule an appointment for your Wellness Visit. This appointment can be offered through the Molina provider network of primary care providers or through an in-home visit with a licensed health care provider. The visit lasts about 45 to 60 minutes and is at no cost to you! You can also call your doctor's office directly to schedule your appointment.

What to Expect During Your Wellness Visit:

During the visit you will be given a basic health screening, review your medications and asked about your medical history. This visit does not replace any existing check-ups, your annual physical with your doctor, or the HRA survey.

**Days
90-120**

3-Month Check-in Call

We will call you after your first 90 days to see how your Molina Healthcare membership has been working for you. We want to make sure you are able to see your doctor and receive the care and services you need. Good or bad, we want to know! Hearing from you helps us know what is working and what is not working.

A Simple Guide to your Benefits

Your health is important to us and we are always here to help! We've made it easy for you to access programs and services by partnering with trusted providers, specialists and benefit vendors for your healthcare needs. We've summarized a few of your plan benefits in the table below.

Remember, we're always here to help. If you have questions about your benefits, call us! We've listed important contact information in the Helpful Member Resources section of this book.

What are my benefits? How do I use my benefits?

Dental Services (Supplemental)

We partner with Delta Dental to give you dental coverage in addition to what you may get through Original Medicare. You pay a \$0 copay to see a participating dentist for covered preventive services and you have a \$1,300 Annual Maximum Allowance for all covered comprehensive dental services, including dentures.

For more information, see the Dental Benefit section.

Doctor Office Visits

You pay a \$0 copay to see your primary care doctor and a \$40 copay when you see certain specialists.

To schedule a doctor's office visit:

Call your doctor's office and ask to schedule an appointment or call our Member Services department and one of our representatives can help schedule your appointment!

Fitness Benefit (Supplemental)

We partner with the Silver&Fit® Program to offer this benefit. You have a \$0 copay and \$0 gym membership fee to access participating fitness facilities. If you prefer to work out from home, you can enroll in the Silver&Fit Home Fitness Kit Program and pick up to two (2) Home Fitness Kits and one (1) Stay Fit Kit per benefit year**. You also have access to Digital Workout Videos online and can sign up for Healthy Aging Coaching over the phone.*

*Note: Gym membership is limited to basic membership packages only. You may have to pay extra for additional services. Participating fitness facilities and fitness chains may vary by location and are subject to change.

**Note: Kits are subject to change.

For more information, see the Fitness Benefit section.

Hearing Services (Supplemental)

We partner with HearUSA to give you hearing coverage in addition to what you may get through Original Medicare. You have a \$0 copay for 1 routine hearing exam per year. You have a \$0 copay for 1 hearing aid evaluation/fitting every 2 years. If you are told you need hearing aids, you can spend up to \$600 every 2 years on hearing aids, both ears combined..

Over-the-Counter (OTC) Items (Supplemental)

You have \$45 every quarter (3 months) to spend on plan-approved over-the-counter (OTC) items like toothpaste, diabetic socks, vitamins, and hundreds of other products found in your 2021 OTC Product Catalog. If you don't use all of your allowance, the remaining balance will roll over to the next OTC quarter. Any unused allowance will not roll over to the next benefit year.

You will get your 2021 OTC Product Catalog in the mail soon. It will include detailed instructions on how to access your plan-approved OTC products – debit card/retail, online, by phone, or by mail.

Podiatry Services (Supplemental)

We offer podiatry services in addition to what you may get through Original Medicare. You can see a podiatrist up to 6 times a year for general foot care for a \$0 copay. General foot care includes cutting toe nails, corn and callous removal, and other foot problems.

Additional Telehealth Services

We partner with Teladoc to offer additional telehealth services. As a member of Molina Healthcare, you receive this virtual care benefit at no cost to you. You can get expert health care from the comfort of home, 24/7. It's simple to connect to a board-certified doctor by phone, video, or mobile app, from anywhere. You can use Teladoc for non-emergency medical issues like allergies, cold and flu symptoms, respiratory infections, sinus problems, or other general medical care.

*Note: Teladoc does not replace your primary care physician (PCP). If your primary care physician has additional telehealth capabilities, you may access this benefit through your PCP. Online visits cost you nothing. However, cell phone and internet usage rates from your service provider may apply.

Vision Care (Supplemental)

We partner with Vision Service Plan to give you vision coverage in addition to what you may get through Original Medicare.

You have a \$0 copay for up to 1 routine eye exam every year. You also get a \$150 allowance to spend every 2 years on prescription eyeglasses, contacts, or upgrades (such as tinted, UV, polarized or photo chromatic lenses) at zero cost to you.

Worldwide Emergency/Urgent Coverage (Supplemental)

We offer worldwide emergency/urgent coverage in addition to what you may get through Original Medicare. If you have a medical emergency when you are outside of the United States, you will be covered up to \$10,000 every year. You will need to pay for the services upfront and file a claim with us after so we can pay you back.

24-Hour Nurse Advice Line

We have nurses available 24 hours a day to answer your medical questions in the language you prefer. Nurses should be used for non-emergencies. If you are having an emergency call 911.

The information provided for the benefits listed above is a summary only. For more information on any of these plan benefits, please refer to Chapter 4, Section 2 (also known as the Benefits Chart) of your Evidence of Coverage (EOC).
